

IN THE NAVY
 Be prepared for whatever weather may be thrown at you in this gorgeous navy and white striped sweater. It's so versatile and looks fantastic with jeans, white shorts or a pleated skirt. Why not try it worn with a ditsy floral print for a fresh look? It's a fashion classic that will never date.

DRESS UP
 It's soxy, it's sophisticated and it's the more slowly we all want to slip into this summer.
 • Ditch the heels and go for minimalist strappy sandals. Dressing down is so much more classy.
 • Fresh towels in. Let your hair do the talking... just one necktie is enough.
